INFORMATION

We make an earnest endeavor to send out plants that are healthy and true to name and to use names that are in accord with the International Code of Botanical Nomenclature. Our seeds are all personally collected. Because of conditions beyond our control we cannot guarantee your success in growing either our seeds or plants.

All seeds are 50 cents per packet, postpaid. Minimum order \$1.00.

Plants, carefully and lightly crated, will be shipped by Express collect unless otherwise arranged. For small packages that may be sent by Parcel Post please add 10% of value of order to cover packing and postage.

Kindly send remittance with your order. Washington residents please add 4% sales tax.

Garden visitors welcome by appointment. Please telephone SUNset 2-4499.

PLANTS

Clethra Delavayi — Deciduous shrub or small tree; flowers fragrant, white, tinged with yellow, in 4-6-inch racemes. From China.

18 inches, \$3.50

Davidia involucrata — Dove Tree. Deciduous tree to 40 ft.; lovely, long-pointed leaves with heart-shaped base and attractive veining. Flowers white with 8-inch bracts in pairs, suggesting doves. A choice shade tree. From China.

18 inches, \$5.00

Enkianthus cernuus, var. **rubens** — Deciduous shrub to 10 ft.; has deep, rich reddish, bell-shaped flowers in nodding clusters. From Japan.

24 inches, \$5.00

Enkianthus chinensis — Deciduous shrub to 12 ft.; flowers bell-shaped, yellow with rose striations; one to two dozen flowers in nodding, 5-inch clusters. From China and Burma.

18 inches, \$3.50

Enkianthus subsessilis — Deciduous shrub of bushy habit to 8 ft.; flowers white, pitcher-shaped, in nodding clusters. Noted for its bright red autumn foliage color. From Japan.

10 inches, \$2.00

Embothrium coccineum — Chilean Fire Tree. Shrub or tree to 20 ft.; leaves long, slender, partly evergreen; flowers brilliant scarlet-red, honeysuckle-shaped, borne in abundance and long lasting. Perhaps no other tree hardy in our northwest region gives such a striking and brilliant display of color. From Chile.

18 inches, \$5.00

Epigaea asiatica — Asiatic Trailing Arbutus. Delightful evergreen, early-blooming shrublet with fragrant, tubular, pink flowers. From Asia.

\$1.00 each

Hamamelis japonica, var. **arborea** — Japanese Witch-hazel. Differs from the species in having more tree-like form and deeper yellow flowers. From Japan.

12-18 inches, \$4.00

Hamamelis mollis — Chinese Witch-hazel. Deciduous shrub or small tree with zigzag branches. Flowers golden yellow, fragrant, winter-blooming. Calyx rich maroon. From China.

12-18 inches, \$4.00

Iris x aureonympha "Golden Nymph" — Fibrous-rooted with dainty, frilled, orchid-like, golden flowers on foot-high stems. A greatly admired hybrid.

\$3.00 each

Iris Douglasiana "Pegasus" — Robust albino form of the purple I. Douglasiana. Large, showy white flowers. Native to Oregon.

\$1.00 each

Menziesia purpurea — Very handsome, small, deciduous, ericaceous shrub with bright rose, bell-shaped flowers edged with minute hairs. Has the brightest flowers of any of the menziesias. From Japan.

8-12 inches, \$2.50

Quercus myrsinaefolia — Evergreen tree or shrub with shining green leaves. Noted for the purplish-red color of its graceful young foliage. From Japan.

10-12 inches, \$5.00

Quercus phillyraeoides — Handsome, evergreen, small tree or shrub of rounded, bushy habit and bright, dark green, shining foliage. From China and Japan. 18-20 inches, \$7.50

Rhododendron brachysiphon — Tender, evergreen shrub to 8 ft.; leaves with rusty scales beneath; flowers fragrant, pink. Mad-denii Series. From Bhutan. 6-8 inches, \$1.00

Rhododendron Keysii — Shrub to 12 ft. with bright red flowers tipped with yellow. Cinnabarinum Series. From Bhutan. 6-8 inches, \$1.00

Schizocodon soldanelloides, var. **ilicifolia** — Shade-loving, evergreen, rock garden herb with delicate pink, fringed, bell-shaped flowers in April and May. From Japan. \$2.00 each

Shortia uniflora grandiflora rosea — An exceptionally handsome, shade-loving herb with leaves that color attractively and large, fringed, bell-shaped, pink flowers in April and May. From Japan. \$1.00 each

Soldanella montana — A choice little alpine with round leaves and stems of three to ten fringed, bell-shaped, lilac-colored flowers. From the Alps Mts. \$1.00 each

Trachycarpus Fortunei — Chusan Palm. Hardy with fan-shaped 4-ft. wide leaves that persist for many years. The only truly hardy palm for planting in regions of freezing temperatures. From Central China. 24 inches, \$5.00

Trochodendron aralioides — Spreading shrub or small, evergreen tree with leathery leaves and interesting green flowers with stamens extending, wheel-like. Valued as a foliage plant. From Korea and Japan. 12-18 inches, \$5.00

SEEDS OF CULTIVATED PLANTS

- Albizia julibrissin, var. rosea — tree; fls. pink
- Chamaedaphne calyculata — ericaceous shrub; white
- Cyclamen neapolitanum — hardy outdoors; fls. pink
- Enkianthus campanulatus — 8 ft.; pendent bells
- Erica vagans — Cornish Heath — low; fls. pink
- Erica ciliaris — Fringed Heath; fls. rosy-purple
- Erica Tetralix — low heath; flowers rosy
- Eryngium caeruleum — hardy herb; 2-3 ft.; fls. blue
- Eryngium yuccaefolium — flowers in round heads, white
- Hypericum Androsaemum — subshrub; flowers yellow
- Hypericum patulum, var. Henryi — low; fls. yellow
- Kalmia angustifolia — evergreen shrub; fls. rosy
- Kalmia latifolia — Mt. Laurel; evergreen; fls. pink
- Leucothoe Catesbaei — evergreen shrub; fls. white
- Lyonia mariana — hardy, ericaceous; fls. white
- Mutisia retusa, var. glaberrima — evergreen vine; pink
- Pieris floribunda — erect evergreen shrub; fls. white
- Pieris japonica — choice evergreen shrub; fls. white
- Pieris taiwanensis — rounded evergreen shrub; white

SEEDS OF SPECIES RHODODENDRONS

- Rhododendron albiflorum — 4 ft.; flowers milk white
- " Albrechtii — 6 ft.; flowers bright pink
- " arborescens — (Azalea); 8 ft.; fls. pink
- " auriculatum — 15 ft.; white, fragrant
- " brachycarpum — 8 ft.; fls. creamy white
- " campylocarpum — 5 ft.; flowers yellow
- " canadense — (Azalea); 2 ft.; fls. rose
- " carolinianum — 3 ft.; flowers pink
- " ciliatum — 3 ft.; pinkish white, early
- " decorum — 10 ft.; white or pink, fragrant

Rhododendron	desquamatum — 8 ft.; fls. mauve, spotted
"	Fargesii — 8 ft.; flowers pink
"	ferrugineum — Alpine Rose, rosy crimson
"	glaucum — 3 ft.; aromatic; fls. rose
"	hemitrichotum — 3 ft.; fls. white or pink
"	hippophaeoides — 3 ft.; flowers blue
"	hirsutum — 5 ft.; rose pink to scarlet
"	Houlstonii — 12 ft.; fls. lovely pink
"	impeditum — 1 ft.; fls. purple-blue
"	luteum — 6 ft.; fls. yellow, fragrant
"	macrophyllum — 12 ft.; fls. pink
"	micranthum — 6 ft.; flowers white
"	molle — (Azalea); yellow to orange
"	mucronatum — (Azalea); fls. white, large
"	mucronulatum — 7 ft.; rosy-purple, early
"	obtusum — (Azalea); 3 ft.; fls. pink
"	occidentale — (West. Azalea); pinky white
"	polylepis — 12 ft.; fls. dark purple
"	ponticum — tall; fls. purple
"	praeevernum — 10 ft.; fls. pink, early
"	puralbum — 6 ft.; fls. milk-white bells
"	quinquefolium — (Azalea); 6 ft.; white
"	racemosum — 3 ft.; fls. pink, early
"	racemosum, v. praecox — earlier
"	ravum — 3 ft.; flowers rose
"	russatum — 2 ft.; flowers purple
"	Schlippenbachii — (Azalea); fls. pink
"	semibarbatum — 3 ft.; flowers white
"	Smirnowii — 5 ft.; hardy, orchid pink
"	sutchuenense — 20 ft.; fls. rosy-lilac
"	Thomsonii — 14 ft.; blood-red, large
"	Vaseyi — 12 ft.; fls. lovely pale pink
"	Williamsianum — low-growing; fls. pink
"	Wightii — 12 ft.; pale yellow, spotted
"	yunnanense — 8 ft.; fls. white to pink

F₂ SEEDS OF HYBRID RHODODENDRONS

These seeds are for experimental purposes. Being seeds of hybrids they do not come true to the names listed but do produce interesting variations.

auriculatum x discolor	Gladys
Azor	Loderi King George
Azor x Griersonianum	"Kulshan" — haemaleum hybrid
Bowbells	Marcia
Britannia	Moonstone
C. B. Van Nes	Souliei x discolor
Cilpinense	Temple Belle
decorum hybrids	Thomsonii hybrids
Elsbeth	Williamsianum hybrids
Ghent hybrids	Unique
Griersonianum hybrids	Unknown Warrior

SEEDS NATIVE TO THE PACIFIC NORTHWEST

Abies amabilis — Lovely Fir; tall, evergreen tree
Acer circinatum — Vine Maple; red fall coloring
Acer glabrum — Douglas Maple; small tree
Acer grandidentatum — dwarf type sugar maple; colors
Aconitum columbianum — Monkshood; fls. purple-blue
Anemone hudsoniana — alpine herb; flowers creamy
Anemone occidentalis — Western Windflower; creamy

Aquilegia formosa — Columbine; fls. red and yellow
Aster alpinus — small alpine aster; fls. lavender
Benzonia oregana — herb with heart-shaped leaves
Calochortus macrocarpus — flowers large, mauve
Campanula Parryi, v. *idahoensis* — bluish purple
Campanula Piperi — rock-loving alpine; violet-blue
Cassiope Mertensiana, v. *gracilis* — low; white bells
Coriopsis Atkinsoniana — 2-3-ft. herb; fls. yellow
Dodecatheon Jeffreyi — for stream-sides; fls. rosy
Dodecatheon pauciflorum — flowers bright rosy
Douglasia laevigata — choice rock plant; fls. pink
Empetrum nigrum — mat-forming, evergreen shrub
Erigeron aureus — small, golden-fl. alpine daisy
Erigeron salsuginosus — mountain daisy; lavender
Eriogonum heracleoides — creeping, wiry subshrub
Eriogonum ovalifolium — woolly; fls. yellow or wine
Erysimum torulosum — flowers orange-yellow
Erythronium montanum — from mts.; flowers white
Frasera montana — 1 ft. high; flowers creamy
Frasera speciosa — tall herb; fls. greenish white
Garrya elliptica — choice evergreen shrub; catkins
Garrya Fremontii — evergreen shrub; winter catkins
Gaultheria humifusa — mat-forming; berries red
Hedysarum occidentale — bright rosy pea-like flowers
Heracleum lanatum — robust, 3-6-ft.; fls. in umbels
Heuchera racemosa — mountain herb; flowers white
Holodiscus dumosa — small shrub; fls. creamy white
Iris bracteata — fibrous rooted; fls. pale yellow
Iris Douglasiana "Pegasus" — lovely white form
Iris innominata — dainty, grass-like; fls. golden
Iris tenax — leaves narrow; flowers lavender
Ledum columbianum — leaves glaucous beneath; white
Ledum glandulosum — evergreen shrub; fls. white
Leptarrhena amplexifolia — leathery leaves; fls. white
Limnanthes Douglasii — Meadow Foam; fls. yellow, white
Luetkea pectinata — subalpine, mat-forming; creamy
Mimulus guttatus — stream-loving; flowers yellow
Oenothera caespitosa — Desert Evening Primrose; white
Orthocarpus imbricatus — 4-12 inches; fls. purplish
Penstemon fruticosus, var. *serratus* — lavender-blue
Penstemon globosus — herbaceous; bright blue-purple
Penstemon Menziesii — low, mat-forming; fls. purple
Penstemon montanus — 8 inches high; fls. lilac-purple
Penstemon Tolmiei — 4-6 in.; fls. blue-violet, fragrant
Penstemon venustus — 1-2 ft.; fls. bright blue
Penstemon Wilcoxii — 2-3 ft.; fls. bright blue
Petrophytum caespitosum — rock-loving; fls. white
Phacelia ciliosa — perennial herb; fls. violet-blue
Phacelia sericea — mountain herb; fls. violet color
Philadelphus Lewisii — Mock Orange; white, fragrant
Phyllodoce empetrifolia — mountain shrub; fls. pink
Pinus albicaulis — White-bark Pine; neat alpine tree
Polystichum Andersonii — (spores); handsome, rare fern
Polystichum Braunii — (spores); evergreen fern
Rhododendron albiflorum — subalpine shrub; fls. white
Rhododendron macrophyllum — 12 ft.; flowers pink
Rhododendron occidentale — Western Azalea; pinky white
Sedum divergens — Stonecrop; alpine; fls. yellow
Sisyrinchium Douglasii — dainty herb, fls. rosy-violet
Solidago algida — a tiny alpine goldenrod; fls. yellow
Sorbus occidentalis — shrubby mt. ash; berries red
Sorbus scopulina — shrub to 12 ft.; berries scarlet
Synthyris lanuginosa — white-wooly alpine; deep violet
Synthyris Paysonii — alpine; rosettes; fls. violet-blue
Trillium ovatum — shade-loving; fls. large, white
Veronica Cusickii — mountain herb; fls. lavender
Zauschneria latifolia — herb; fls. scarlet, fuchsia-like
Zygadenus elegans — bulbous; fls. light yellow
Zygadenus venenosus — Death Camas; fls. pale yellow

ILLUSTRATED LECTURES

Mrs. Carl S. English, Jr. — Native flowers and trees of the Pacific Northwest and how to use them in the garden. Illustrated by Kodachrome slides.

Mr. Carl S. English, Jr. — Ornamental trees and shrubs; horticultural subjects. Illustrated by slides, living plants or cut specimens during the blooming season.

BOTANY CLASSES

Mrs. English — Residents of Seattle and vicinity may receive information concerning the botany classes or register for the fall 1959 beginner's class by calling Sunset 2-4499.
